

NEW SIGN ON THE CORNER OF FINLEY LANE & VICTORY WAY!

If you have passed by the corner of Finley Lane and Victory Way, you have probably noticed a new sign in the area.

What is the sign for?

The sign isn't just a Welcome sign, it's also a new way of posting yard sale information!

How does it work?

On the other side of the Welcome sign, you will see index cards, a city map, and two drop boxes labeled 'New Cards' & 'Old Cards'. Inside the 'New Cards' box, you will find all the materials you need to post information about your yard sales such as index cards, markers, and magnets. Write down your information, place your card on an available clip located on the board and use the small magnets provided to mark your location on the City map. It's that simple!

What's the purpose of this?

This is a quick and easy way to advertise your yard/ garage sale while also cleaning up our community. This will eliminate the boxes cluttered up on the corner that also, at times, end up getting blown out into the streets of Craig.

The City of Craig would like to recognize and give thanks to the people who helped with the design, set-up, materials, and the plan itself!
