

City of Craig Parks, Recreation, Open Space and Trails Plan Community Survey

The City of Craig is preparing a Parks, Recreation, Open Space and Trails Master Plan to create a 20-year vision that improves quality of life, economic development, and environmental and social health. The City seeks to determine immediate needs and improvements for existing recreation facilities and identify desires for potential future projects. The Master Plan will define community priorities for outdoor recreation amenities, guide budget recommendations, and determine the best use of limited funding for constructing and maintaining parks and recreational facilities. The analysis will include Moffat County School District and Moffat County Parks and Recreation, including Loudy Simpson Park, Cathy Cisar Sledding Hill, and Sherman Youth Camp but excludes the Moffat County Fairgrounds.

We need your input! By participating in this survey, you will help City leaders understand residents' preferences and better plan for now and the future.

When thinking about your answers please respond for your entire household. If you could **please return the survey to the Parks and Recreation Department at 300 W. 4th Street by June 1, 2018**, we would appreciate it. You can also complete the survey online at: <https://www.surveygizmo.com/s3/4366207/Craig-Community-Survey>.

If you have questions about the survey, please contact Dave Pike at 970-826-2006 or by email at dpike@ci.craig.co.us.
