

AUTO-PAY

The easiest way ever to pay your monthly city utility bill . . .

You've probably reminded yourself to pay your city utility bill in all sorts of ways. But now there's a service that does all the remembering for you. It's called the City of Craig Bank Draft Plan (AUTO-PAY). And the way it works is very simple.

With AUTO-PAY, the amount of your city utility bill is automatically drafted from your bank account every month. We simply send you a bill each month as we always have. Then on the 20th of each month, your bank account is deducted for that amount. If the 20th is a holiday, the draft will be made on the day before. If the 20th is on a Saturday or Sunday, the draft will be made on the Friday before. The draft will then be shown on your monthly bank statement the same way as if a check had been written. We may impose a processing fee for accounts that are found to contain insufficient funds.

Besides being easy to use, our new service is also very flexible. If you have a problem with your bill, simply notify us at least 3 days prior to the 20th of the month and have that month's draft suspended. You may then pay your bill the same way you always have.

Best of all, AUTO-PAY is absolutely free. And it saves you the cost of postage stamps and a trip to the post office or city hall. All of which means our new service can help you save time and eliminate the worry.

So, ask us for a Authorization Agreement for AUTO-PAY. Be sure to provide us with a voided blank or cancelled check so we can verify your bank account number.

If you have any questions, please call us at 826-2005. We are open 8:00 a.m. to 5:00 p.m. Monday thru Friday, except some holidays.
