

Message from the Mayor

Welcome to Craig Colorado. Craig has an approximate population of 9,000 and is located two hours from I-80 and one and a half hours from I-70. Our economy is driven by the energy industry agriculture, tourism and recreation. Craig is the county seat for Moffat County the second largest county in the State of Colorado in land mass. We are the Elk Hunting Capitol of the world with the second largest elk herd in the entire United States. If you like the small town feel with plenty of outdoor recreational opportunities or a business adventures then Craig is the place for you.

Thank you for contacting the Craig City Council. All seven elected members may have received your correspondence and you may hear directly from one or more of them. Your concerns or suggestions may be shared with our City Manager (Jim Ferree) for review depending on the nature of your question or comment. City staff may contact you directly and or provide you with additional information if needed on your behalf.

The most effective way to submit a service-related request for issues such as water, wastewater, and street maintenance or code enforcement concerns is to visit our web site at www.cityofcraig.com. We encourage you to use this service if appropriate. You can also check out our Parks and Recreation department and calendar of events.

Thanks for writing to the City of Craig and the Craig City Council, we appreciate your interest and involvement in our community.

Sincerely,

Ray Beck
