**RE: Airport Advisory Board Position**

**Mr. Ferree:**

I would like to continue my position on the Craig-Moffat County Airport Advisory Board for another term unless you have other applicants. If you do have other applicants, I'm will to step aside and let someone else fill my spot on this board. As I have been on this board for awhile now and I always fill that a new prospective is good for the future of our community.

Sincerely,
