Re: Ridgeview Trail Bid Approval

Recently we solicited bids for the Ridgeview Trail Pedestrian Path Paving CDOT Project Code No. 17341. Four bids were submitted with the results as follows.

Bid Results			
Bidder	Contact	Phone #	Bid Amount
Native Excavating	Chad Whitmore	970-879-6231	\$197,998.00
Colorado West Contracting	Preston Mease	970-434-2657	\$209,750.00
Precision Excavating	Dylan Crane	970-276-3359	\$232,240.93
Anson Excavating	Todd Myers	970-824-0382	\$253,585.00

The successful bid from Native Excavating appears to be in compliance with the City of Craig's bid requirements as outlined in the Ridgeview Trail Project Manual. Consequently I have requested that CDOT approves my bid concurrence request. At this time I am requesting that Craig City Council members approve the bid amount in the amount of \$197,998.00 contingent on CDOT's approval. Budgeted amount for this project is \$205,000.00.
