Re: Multi Deck Mower Bid Accept

Recently we solicited bids for the purchase and delivery of a new Multi Deck Rotary Turf Mower. We received the following two bids for a John Deere 1600 Turbo Series II mower.

US Tractor & Harvest: \$34,034.00 (includes trade in and delivery)

Potestio Brothers Equipment: \$37,000.00 (includes trade in and delivery)

We have operated John Deere 1600's for the last 16 years and have been very pleased with their results. At this time I recommend we accept US Tractor's bid for \$34,034.00. Budgeted amount for this purchase is \$32,880.00.
