RE: Hunting Works For Colorado

To Whom It May Concern:

On behalf of the City of Craig, it is with great pleasure that I, Mayor Ray Beck, offer this letter of support for the Hunting Works For Colorado program.

Hunting Works for Colorado's mission is to promote the strong economic partnership between the hunting and shooting communities and the local economy of Colorado. The City of Craig recognizes this economic partnership and is part of a region that takes great pride in its hunting heritage.

Additionally, Hunting Works For Colorado advocates for public policies that support jobs and economic prosperity. The City of Craig supports this effort and believes this partnership will be beneficial to the City of Craig, Moffat County, and the entire state of Colorado.

Sincerely,

Ray Beck
Mayor, City of Craig
