Subject: RE: Claims Data

Good morning to you as well Mayor Beck. I hope all is well. Your updated service line warranty program stats are as follows:

Product	Enrollments	Claims	Claims Costs
Sewer Lateral	432	162	\$97,887
Water Service Line	345	3	\$555

Would it be possible to attend the meeting on October 25th? I have that date open on my calendar and although I primarily handle Canada for the firm, I am by far the closest in proximity to Craig in that I live in Grand Lake so it may be the easiest for me to coordinate an onsite meeting. Let me know, thanks so much.

Very best,

Jeff Olson
