PINE RIDGE

&

ROUNDBOTTOM RESIDENTS!

There has been a water line break in the Roundbottom area. For the City of Craig Water Department to fix this break, they must shut off the valve that supplies water to the Roundbottom and Pine Ridge area. The length of time for the shut off is unknown at this time, but we will keep you updated!

Please share this information with your friends and neighbors living in this area.

Thank you for your patience and cooperation!
